

A4.0 TREADMILL

Featuring Astroride Cushioning Tech, the A4.0 enhances your spring and reduces joint impact for a softer, more forgiving running platform. Fitted with the FUTURE control console, the A4.0's LED display provides detailed feedback for optimal training.

Offering 36 pre-set workouts and three user-defined programs, the treadmill's 2 HP motor reaches 18 kph across 12 power incline levels; pushing each run further.

2 HP Motor - 18 KPH Max. Speed

3 Window LED Display

pulse sensors

A4.0 TREADMILL

ASTRORIDE - CUSHIONING

Soft cushioned impact,
reducing stress on the joints

Responsive deck gives "spring
back" effect in each stride

Astroride cushioning returns post
impact to ensure consistent comfort

Astroride cushioning technology enhances the "spring back" and reduces heel impact to mimic running on a softer surface than the road, for added comfort and stability during longer workouts.
