Indoor exercise bikes have been around for a long time. Their appeal and effectiveness have stood the test of time. Comfort, convenience, familiarity, enjoyment, and medical conditions are a few reasons this modality appeals to a large segment of the population.

Durable, comfortable, and smooth are all qualities of the XBU55 fitness bike. Easy adjustments, a cooling fan, high density foam seat, challenging programs, 20 levels of resistance, and a bright LCD display are all standard.

## **XBU55** UPRIGHT

- Oversized 7.5" bright blue backlit LCD screen with separate Muscle Activation Profile and HR % Profile LED displays
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap transmitter included)
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment
- Fully adjustable seat position allows for easy front/back and up/down adjustments
- Bluetooth compatible with SPIRIT FIT App to monitor and record your workout data

# CONSOLE

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: adjustable console angle, muscle and heart rate LED profiles, tablet friendly reading rack, adjustable cooling fan, and integrated speakers with audio jack to keep you encouraged to workout longer.
