The XE395 was designed with 20 levels of electronic incline and 3 foot pedal angle settings to keep your workout challenging and effective. Proper ergonomics and biomechanics, a solid feel, important workout data feedback, and effective programs will help you stick with your exercise routine and achieve your long term fitness goals.

## FEATURES

- 7.5" bright blue backlit LCD screen with separate Muscle Activation Profile and HR % Profile LED displays
- Electronic incline provides 20 levels of adjustment to modify your elliptical pedal pattern
- Remote handlebar toggles for both resistance and incline allow for secure workout changes without taking your hands off the handlebars
- Dual track system with concave roller wheels and aluminum rails for added stability and durability
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap transmitter included)
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment
- Bluetooth compatible with SPIRIT FIT App to monitor and record your workout data
