

A6.0 TREADMILL + BLUETOOTH

Featuring Astroride Cushioning Tech, the A6.0 enhances your spring and reduces joint impact for a softer, more forgiving running platform. Fitted with the FUTURE control console, the A6.0's LED display provides detailed feedback for optimal training.

Offering 36 pre-set workouts and 3 user-defined programs, the treadmill's 2.5 HP motor reaches 20 kph across 15 power incline levels; pushing each run further.

ASTRORIDE - CUSHIONING

Soft cushioned impact,
reducing stress on the joints

Responsive deck gives "spring
back" effect in each stride

Astroride cushioning returns post
impact to ensure consistent comfort

Astroride cushioning technology enhances the "spring back" and reduces heel impact to mimic running on a softer surface than the road, for added comfort and stability during longer workouts.
