

## SL8.0 TREADMILL (AC) BLUETOOTH

Designed for more advanced cardio workouts, the Reebok SL8.0 bridges the gap between gym and home exercise. Compared to traditional DC treadmills the SL8.0's 4HP AC motor is more powerful and reliable; allowing you to increase the intensity and duration of your training.

Featuring a 10.1" touchscreen display, the InterAct Console provides in-depth feedback and programmes for total performance. The internet enabled system also features apps such as Netflix, Facebook and YouTube; with 5W speakers to play your music and videos aloud.
