

**3-IN-1 LEG PRESS, HACK SQUAT & CALF RAISE**  
**Quads, glutes, hamstrings & calves in one machine**

The Force USA Compact Leg Press & Hack Squat combines standing leg press, hack squat and calf raise into one space-saving machine built on heavy-gauge 2mm steel tubing. An extra-large 80cm x 70cm footplate, 8 lockout safety positions and 5 footplate angles support a full range of lower-body training up to 300kg.

## FEATURES

- ✓ 3-in-1: standing leg press, hack squat & calf raise
- ✓ Extra-large 80cm x 70cm footplate for varied stances
- ✓ 8 lockout safety positions & 5 footplate angles
- ✓ 6 back pad angle adjustments, 0–90 degrees
