

The Force USA Heavy Duty Commercial Flat Bench is engineered for robust dumbbell and barbell training, ideal when paired with Squat Racks, Power Cages, Smith Machines or Functional Trainers. Built from heavy-gauge steel tubing and commercial-grade bolts with VorTex vinyl upholstery and rip-stop mesh backing, it carries a 772kg (1,700lb) weight rating and rolls easily on integrated transport wheels.

FEATURES

- ✓ Industrial-grade steel construction
- ✓ 772kg (1,700lb) max weight rating
- ✓ Rip-stop mesh backing resists rips & tears
- ✓ Eco-friendly powder-coated frame
