

DUAL-FUNCTION LEG MACHINE
Leg extensions & leg curls in one unit

The Force USA Leg Extension / Leg Curl Machine V3 targets and strengthens the quadriceps, hamstrings and glutes, with an easy pull-pin adjustment for quick transitions between leg extensions and leg curls. Built from heavy-duty high-tensile steel with high-density foam padding, it carries a 150kg weight rating and accommodates both Standard and Olympic weight plates.

FEATURES

- ✓ Dual-function design: extensions & curls, one pull-pin
- ✓ Massive 150kg weight rating
- ✓ Standard & Olympic plate compatible sleeves
- ✓ Lock-catch feature secures legs for ab exercises
