

DUAL-FUNCTION ASSISTED MACHINE

Assisted chin-ups & dips, one station

The Force USA Solitude Assisted Chin-Up / Dip Machine blends functionality and commercial-grade durability, with a 120kg counterweight system providing smooth, adjustable assistance for every fitness level. High-tensile steel construction with anti-rust coating, ergonomic foldable handles and a multi-grip chin-up bar deliver lasting stability and exercise variety, while a plastic pull-pin adjustment system and thickly padded knee platform make transitioning between chin-ups and dips fast, comfortable and secure.

FEATURES

- Assisted training with adjustable counterweight system
- Commercial-grade high-tensile steel, anti-rust coating
