

DUAL-FUNCTION LOWER BODY MACHINE

Leg press & calf raise, one station

The Force USA Solitude Leg Press Machine is a commercial-grade lower body machine that combines both leg press and calf raise functions in a single, space-efficient design, with a 120kg pin-loaded weight stack on a 1:1 resistance ratio for consistent resistance and easy progression. A robust heavy-duty oval steel frame, anti-rust aluminium seat handles and ergonomic thick padding deliver lasting comfort and stability, while the guide-rod seat adjustment, textured footplate with handle and secure magnetic weight selector pin make setup and operation easy and safe for users of every height.

FEATURES

- Dual-function leg press & calf raise in one machine
- 120kg pin-loaded stack, true 1:1 resistance ratio
- Guide-rod seat adjustment for users of all heights
