

ADJUSTABLE DUMBBELL STAND
Walk-in design for safer, easier dumbbell pickup

This Adjustable Dumbbell Stand is a compact, ergonomic and budget-friendly storage solution crafted for QuickDraw adjustable dumbbells. The walk-in design with angled trays makes it easy to pick up and rack even the heaviest dumbbells, with four height adjustment points and swiveling caster wheels for smooth, stable positioning.

FEATURES

- ✓ Ergonomic split, walk-in design for easy pickup
- ✓ High-capacity swivel-locking caster wheels
- ✓ 4 height adjustment points, 2.5cm increments
- ✓ Angled or straight tray positioning
