- > MULTI-TEXTURED SURFACE
- > VISUAL TARGET ZONES CREATE REFERENCE POINTS

Visual targeting zones offer a new take on the classic design. The central line, circular markers and detailed edging give a stronger sense of spatial awareness, promoting better exercise form and sharper transitions.

- > IDEAL FOR HOME FITNESS CLASSES
- > ACCESS TO FREE ONLINE VIDEO WORKOUTS

Fit for cardio, strength and core workouts; the Step's functional design lends itself to both HIIT and aerobics as well as more generalised fitness sessions.
