

The CRW800+ Rower combines a long list of high-performance features with a reliable design. From the convenience of the 508mm frame height and folding storage design to the combined air/magnetic resistance and remote handle controls, the CRW800+ is sure to impress. It is the perfect addition to a corporate fitness/recreation center, school or hotel because the ease of use and resulting unparalleled full-body workout are second to none.

#### FEATURES:

- Air and magnetic resistance (16 levels) for smooth and consistent operation.
- Wireless remote handle controls allow quick changes to resistance.
- Built-in generator, no plug required.
- Commercial grade handle strap is both smooth and reliable.
