

XBU75 UPRIGHT BIKE

Great performance in a great design - the XBU75 Upright Bike is built to deliver results. The bright multi-color LCD with a variety of preset programs, including a goal-oriented Time, Calories, and Distance Series, helps keep you motivated throughout your workout. 40 levels of resistance powered by a generator will make any workout challenging for athletes of all levels.

FEATURES

- 7.5" bright multi-color LCD w/built-in USB charging port
- 14 kg flywheel with 40 levels of magnetic resistance
- Generator-powered training (cordless installation)
- Contact and wireless heart rate monitoring capabilities
- The ergonomic handlebar design allows for multiple riding positions
