

XE895 ELLIPTICAL

The XE895 includes all of the features you need to hit your stride - it allows users to simulate the full motion of a walk, jog, or run. This elliptical features an electronically adjustable stride length (18"~24" with 0.5 increments) and narrow pedal spacing to ensure an ideal stride motion. Its oversized and cushioned foot pedals together with padded ergonomic hand grips provide comfort at the key touch points. The Spirit Fitness XE895 Elliptical is designed to perform and built to last - its premium components include large sealed roller bearings, dual roller wheels, and aluminum tracks for a very smooth and reliable workout experience.
