

The Xebex Fitness XT4 Sled is an innovative training tool that brings conventional training and modern technology together to provide an advanced workout experience.

The Swivel casters design allows for training on virtually any surface while keeping noise at a minimum; Built-in casters can be rotated with convenient and fast-moving ability, multi-angle movement, which effectively avoids the vibration caused by frequent movement.

MULTI-FUNCTIONAL SLED TRAINING

360° SWIVEL CASTER

NOISE REDUCTION

HIGH CAPACITY

SMOOTH ROLLING

MORE AGILE

SOLID TIRE

EXTRA WEIGHT FOR FRONT WHEEL TRACTION

**FITS THROUGH MOST
STANDARD DOORWAYS**
