

SL8.0 TREADMILL (DC) BLUETOOTH

Designed with SubLite technology the Reebok SL8.0 cushions each stride to offer comfort and stability for an optimal running platform. Fitted with a 3HP DC motor, the treadmill has a max speed of 20kph across 18 levels of incline for an advanced cardio workout.

Compatible with the Reebok Fitness App, you're able to tailor and track your workouts whilst virtually running real-life routes. The console also provides in-depth feedback whilst you train with 24 pre-set programmes to help you progress.
